## MESSAGE FROM PRESIDENT

It's that time of the year again! Welcome back to the 164th Comber Fair. We are looking forward to having everybody come back and enjoying a great weekend. What do we have to offer? We have everything for all ages, young to old. Saturday morning make sure you find a spot on the Main Street and enjoy the parade. Last year's parade was the best ever and I'm sure we will surprise you again. Always great to see the baby show, antique tractors, car show, and a wide variety of vendors. This year we have a tribute to Johnny Cash playing on the Main Stage, along with other great local entertainment. Also, this year we have the brand new beer garden. Be sure to come out and see local entertainment play and enjoy a nice cold drink. As the weekend goes along, we have fantastic and exciting fair rides for the young and old, plus on Sunday, the famous demolition derby is always a pleasure and crowd favourite. I would like to thank the Comber Agricultural Society, the volunteers for all their hard work, and dedication to making this year's fair exciting and to lasting memories.

Sincerely,  
 Ron Chambers  
 2023 President

## **Mayor Tracey Bailey**

On behalf of Council, and residents in all of Lakeshore's beautiful communities, it is my pleasure to extend my sincere congratulations on the hosting of the 164<sup>th</sup> Comber Fair.

The Comber Fair holds a special place in our hearts as it connects us to our roots, reminding us of the traditions that shaped our communities.

This event celebrates our rich agricultural heritage and highlights the enduring spirit of community volunteerism that makes Lakeshore truly exceptional. The Fair serves as an invaluable educational

opportunity for our residents, especially the younger generation. It allows them to learn about the vital role agriculture plays in our daily lives, fostering a deeper appreciation for the hard work required to bring food to our tables.

While we know that farmers feed cities, we also remember that volunteers and organizations like the Comber Fair Board fulfill our need for community spirit and connection with our neighbours. The impact of their efforts, including countless hours of volunteer work, is truly immeasurable.

This event is also a platform that highlights organizations who serve our communities as well as the remarkable skills of individuals of all ages. Every year, farmers, collectors, performers, gardeners, artisans, and even some incredibly talented babies, put their passions and skills on display for all to see. Good luck to everyone engaging in the Fair's friendly competitions and exhibitions and thank you for putting your hat in the ring.

Thank you as well to the vendors and event sponsors who have supported this event for years. Their contributions help make the Fair a resounding success and serve as another important reminder that collaboration and commitment to serving our neighbours and communities is critical to our success.

After the excitement of this weekend subsides, let us continue to carry the spirit of community forward.

Thank you again and have a great weekend!

I wish to extend my congratulations to the Agricultural Society on 164 years of excellence!

Ever since our former family car met its end in the Demolition Derby when I was a child, the Comber Fair has been an important tradition for our family and I am thrilled to be attending this year in my new role as Ward 6 Councillor.

Whether enjoying the excellent entertainment, exploring the unique exhibits, or simply making your own memories with family, friends, and community, I wish you all a safe and enjoyable weekend at the fair.

I'll look forward to seeing you there!

# 2023 Community Appreciation Award

The Comber Agricultural Society would like to recognize the many contributions made to our community by Mark and Linda McKinlay. Although they always worked outside the home, they have enjoyed many experiences volunteering with various local organizations. As the parents of four children, they were often drawn to working with youth. Between the two of them, they participated in the Comber IODE, the Comber Fire Department, Brownies, Boy Scouts, Softball Coaches, the PTA at Centennial School, and their Church, St Andrews United Church. During this time, Linda held public office as a Councillor for Tilbury West, and until recently, the Municipality of Lakeshore. She was also on the Board of Directors for the Lower Thames Valley Conservation Authority serving several years as Chairman. Mark has spent many years on the Comber and District Historical Society Board with 10 years as President. In recent years, both Mark and Linda have been recognized for their contributions and commitment to their community, both receiving the

“Senior of the Year” award from The Good Neighbour Club in Belle River and Area, and Mark was honoured to receive the Community Heritage Medal from the Department of History at the University of Windsor for his work with the Comber Museum.

Like many families in the Comber area, the McKinlay's have always considered the Fair to be the highlight of the summer. They have spent 25 years working together on the Board of the Comber Agricultural Society, contributing to many different committees. Linda doesn't even remember how they joined, but once they did, it was something they looked forward to each year. Mark spent many years working the grounds, assisting the treasurer, managing the money at the gates, judging various events and all the while – taking hundreds of pictures for the Fair board. Meanwhile, Linda spent most of her time organizing the entertainment - hosting events on stage, booking musical acts for the evening shows, or judging the talent contest - even representing the Comber Fair as a judge at the “Rise 2 Fame Youth Talent Search” at the Western Fair. Together, this couple spent many years booking the exhibitor and vendor booths, and at one point, had 40 booths set up. As the years passed, they had the opportunity to make this a family tradition, with their now-grown children involved in volunteering at the fair.

Their experiences at the fair have given the couple many special memories. With her history as a professional singer, Linda loved working with the entertainment, and in particular remembers the first time the fair had an Elvis Impersonator. The grounds and the bleachers were packed, and the crowd loved him...and he sure loved the crowd! There was another year that the fair had a hypnotist on stage, and the audience was treated to a show of their friends and neighbours clucking like chickens! Mark discovered his silly side and was surprised at how much he enjoyed being a clown in a couple of the parades. He also fondly remembers the year that every available flagpole had a Canadian flag hanging from it. He said it just hit him when he walked through the gate, “What a terrific fair this little town has.”

Mark and Linda feel they have gained so much from their time volunteering in the community, and in particular with the Comber Fair. Working together with others to organize such a successful, long-standing community event has truly been a source of joy for them. They hope that others will consider reaching out to continue this incredible tradition. They truly believe that it is events like the Comber Fair that make this village such a special place to live.

Chatham-Kent—Leamington

As your Member of Parliament for Chatham-Kent—Leamington and on behalf of the Government of Canada, it is an honour to congratulate you on 164 years of the Annual Comber Fair.

The Comber Fair is a summer highlight for many, and a longstanding tradition within the community. From rides, games, tasty food, entertainment, vendors and so many family friendly activities for all ages it is a great opportunity to create many happy memories.

I would also like to thank all the wonderful volunteers who year after year continue to show their hard work and dedication towards their community. Without you, none of this would have been possible. 164 years is an amazing accomplishment, and you should all be very proud of yourselves.

I hope everyone has a great time this weekend!

Sincerely,

Dave Epp  
Member of Parliament
